***Claim Rejections Under 35 U.S.C. § 112, Second Paragraph***

Claims 1-2, 5-11, 13-28, 30-33, 66 and 69-72 were rejected under 35 U.S.C. § 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which Applicants regard as the invention. Specifically, the phrase “substantially reduced” was characterized as indefinite. Office Action at page 2, section 3.a. Applicants respectfully disagree with this characterization. However, in an earnest effort to advance prosecution of the application, the claims have been amended to no longer recite the language characterized as indefinite.

Claim 33 was rejected under 35 U.S.C. § 112, second paragraph, due to recitation of “the method of claim 31.” Claim 31 has been amended to properly refer to a kit rather than a method.

In view of the above claim amendments and remarks, Applicants request that the rejections under 35 U.S.C. § 112, second paragraph, be reconsidered and withdrawn.

***Conclusion***

All of the stated grounds of rejection have been properly traversed, accommodated, or rendered moot. Applicants therefore respectfully request that the Examiner reconsider and withdraw the all presently outstanding rejections. Applicants believe that a full and complete reply has been made to the outstanding Office Action and, as such, the present application is in condition for allowance. Prompt and favorable consideration of this Amendment and Reply is respectfully requested.
